

Students' Code of Conduct

We at Silver Oaks Believe in “**Character before Competence**”

We start the day with the National Song and conclude with the National Anthem.

We provide an ecosystem of inspired learning to our Acorns and expect them to equally respect not only the property of the school but also the people who are an integral part of the school community.

The school is tolerant like Silver Oaks trees and believes in “Where the mind is without fear and the head is held high”. But if a student mindfully engages in any activity which does not align with the belief system of the school, we reserve the right to take disciplinary action taking into consideration the nature of the offense and the number of similar offenses.
